

Maanam, Simple Story

You whispered wait for me
Be true my love's for you
The mystery the calls the letters
Saving it all for you

The seasons changed
Your voice still sounds the same
It's June again
I've learnt to hide the pain

And it's not you
Kissing and touching me
And it's not you
I couldn't do what you wanted me to

It's a simple story
I'm so sorry
I know it's too late
And it was May

I run to you inside
With longing and regret
Can't eat can't sleep
I can't forget

You're everywhere
Your voice still sounds the same
The seasons changed
It's May again

And it's not you
Kissing and touching me
And it's not you
I couldn't do what you wanted me to

It's a simple story
I'm so sorry
I know it's too late
And it was May
