

Mabel, Finders Keepers (feat. Kojo Funds)

[Intro: Kojo Funds]

Yeah

Yo, yo, yo, yo

Mabel, uh

[Verse 1: Kojo Funds with Mabel]

Mama, don't run away

You know I got it, I know you want it

I'm a phone call away

You know you're on my mind

I know that you wanna stay

Let me take you to space

I can smell you from miles away

Wanna see you in lingerie

Oh yeah, yeah, yeah, yeah

You've got it, I want it

When I'm willing to put my all in

Wanna see you in the mornings

It should be me that you're callin'

You've got it, I want it

When I'm willing to put my all in

Wanna see you in the mornings

It should be me that you're callin'

[Chorus: Mabel]

Put your arms all around it

Take it now that you've found it

It don't need to be no deeper

It's finders keepers

Put your arms all around it

Take it now that you've found it

It don't need to be no deeper

It's finders keepers

It's finders keepers

It's finders keepers

It don't need to be no deeper

It's finders keepers

[Post-Chorus: Mabel]

I got what you want

If you trust me, then trust me

I got what you want

If you trust me, then trust me

I got what you want 'cause I got you

[Verse 2: Mabel]

I don't need miracles from ya

Stop going all digital on me

Don't feel like you need to try and love me

'Cause I don't need a spiritual journey

[Pre-Chorus: Mabel]

Boy, why you living in fear?

You don't live around here

Let's make use of the timing

These are the ends I stay

I don't plan on coming your way

Let's make use of the timing

[Chorus: Mabel]

Put your arms all around it

Take it now that you've found it

It don't need to be no deeper

It's finders keepers

Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
It's finders keepers
It's finders keepers
It don't need to be no deeper
It's finders keepers

[Post-Chorus: Mabel]
I got what you want
If you trust me, then trust me
I got what you want
If you trust me, then trust me
I got what you want 'cause I got you

[Verse 3: Mabel]
I don't need miracles from ya (Ooh)
So let's keep the talk minimal (Ooh)
Is it criminal for me to want you right here, right now?
They say it's all chemical

[Pre-Chorus: Mabel]
Boy, why you living in fear?
You don't live around here
Let's make use of the timing
No I don't mind if you take me home
Didn't come here to leave on my own
Let's make use of the timing

[Chorus: Mabel]
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
It's finders keepers
It's finders keepers
It don't need to be no deeper
It's finders keepers

[Post-Chorus: Mabel]
I got what you want
If you trust me, then trust me
I got what you want
If you trust me, then trust me
I got what you want 'cause I got you

[Outro: Kojo Funds & Mabel]
Yeah
It's you and me, you and me
So put your arms all around it, around it
Yeah, yeah, yeah, yeah
Mmm, yeah, yeah
