

MAC MILLER, Benji the Dog

they told me
don't tell me the promise you can't keep
all the drugs in your system you can't sleep
how many time you read

no signal
little bitch pray sometimes
yeah yeah
everybody live a little
and everybody die
yeah yeah
let's live

wrong place on your mind
that's live
that's live, baby
yeah
since tehe hop ain;t broken
that's live
that's live, baby
just pick it up
