

MAC MILLER, Donald Trump

[Intro]

Hey

Ayo, Sap! What's good, bruh?

This man's kinda high out here *Laughs*

[Verse 1]

Ayo, the flyest ma'fucker in the room, yeah, you know it's me

Bitches hatin' on him 'cause he started out here locally

Hopefully, I'll be at the top soon

For now, I'm at my house on the couch watchin' cartoons

You know how much you love it when you get it in abundance

Give a fuck about a budget when you always be the subject of discussion

But it's nothin' when you stop and just say, "fuck it";

'Cause you walkin' out in public and you hear 'em talkin' rubbish

I just wanna ride, ride through the city in a Cutlass

Find a big butt bitch somewhere, get my nuts kissed

That's the way it goes when you party just like I do

Bitches on my dick that used to brush me off in high school

[Refrain]

Take over the world when I'm on my Donald Trump shit

Look at all this money! Ain't that some shit?

Take over the world when I'm on my Donald Trump shit

Look at all this money! Ain't that some shit? (Hey)

[Chorus]

We gon' take over the world while these haters gettin' mad

That's why all my bitches bad, they see this crazy life I have

And they in awe, we gon' win, you can take the lose or draw

What I'm in got these hoes who used to play me in they bras

We gon' take over the world while these haters gettin' mad

Take over the world, watch these haters get mad

That's why all my bitches bad, they see this crazy life I have

Hop into the car and then we take 'em to the pad, it's a wrap

[Verse 2]

Uh, uh, uh

And ma'fuckers think they know me, but they never met the kid

Style come with excellence and money make benevolence

Irrelevant for the fuckers who never been intelligent

I kill my Henny, break the bottle for the hell of it

Tell a bitch that she better bring her friends

And if she want an autograph she better bring a pen

Yeah, the party never end, this life is what I recommend

And if you got a ho picked for me, then she better be a 10

I ain't picky, but these girls be actin' tricky

When the situation's sticky and the liquor got 'em silly

[Refrain]

But I take over the world when I'm on my Donald Trump shit

Look at all this money! Ain't that some shit?

[Chorus]

We gon' take over the world while these haters gettin' mad

That's why all my bitches bad, they see this crazy life I have

And they in awe, we gon' win, you can take the lose or draw

What I'm in got these hoes who used to play me in they bras

We gon' take over the world while these haters gettin' mad

Take over the world, watch these haters get mad

That's why all my bitches bad, they see this crazy life I have

Hop into the car and then we take 'em to the pad, it's a wrap
