

# MAC MILLER, Everybody

Everybody's gotta live  
and Everybody's gna die  
Everybody's just wanna have a good, good time  
I think you know the reason why

Everybody's gotta live  
and Everybody's gna die  
Everybody's gotta live  
I think you know the reason why

yeas, sometimes the going gets so good  
but the it can get pretty rough  
but when I have you in my arms, baby  
you know I just can't , I just can't get enough

Everybody's gotta live  
and Everybody's gna die  
Everybody's just wanna have a good, good time  
I think you know the reason why

saw a blind man, standin' on the corner, baby  
andhe couldn't hardly tie his shoes  
harmonica and guitar strapped around his neck  
but he sure could /2x  
play the blues

Everybody's gotta live  
and Everybody's gna die  
Everybody's just wanna have a good, good time  
I think you know the reason why

feel like I've seen a million sunset  
if you're whit me, I'll never go aay  
that's when I stopped and took a look at my baby  
she said if ou're whit me  
I won't go away  
because Everybody's gotta live  
and Everybody's gna die
