

# Macabre, Christopher Scarver

Dahmer was assigned  
To clean up the prison  
Working with two other guys  
A team of killers  
One with a blunt object  
Would soon end the other men's lives

The guard left them alone  
To clean the staff bathroom  
That was Scarver's chance to strike  
With a bar that he stole from  
The prison weight room  
He bashed Jeffrey's head until he died
