

Machine Gun Kelly, concert for aliens

Alright

The headlines say the world is over
What ever happened to a fairy tale ending?
You can't pass if you don't know the code word
I am inside a UFO crash landing
I am in a room by the door
Whit a space invader
I know that i am unmmature
But at least i am not a goddamn failure

SOS (i am callin')
SOS i am callin' ou
SOS i am fallin')
SOS i am fallin' now

I am upside down
I am upside down
I am upside down
My life is a roller coaster, roller coaster
Get me off ths roller coaster
Get me off ths roller coaster

(zwr. 2.)

SOS (i am callin')
SOS i am callin' ou
SOS i am fallin')
SOS i am fallin' now

I am upside down
I am upside down
I am upside down
My life is a roller coaster, roller coaster
Get me off ths roller coaster
Get me off ths roller coaster

I am in too deelep
I feel too much
I am insecure
I fuck things up
I am in too deep
I feel too much
I am insecure
I did, fuck

SOS (i am callin')
SOS i am callin' ou
SOS i am fallin'
SOS i am fallin' now

i am callin'
i am callin'
i am callin'
i am callin' out
SOS i am fallin'
SOS i am fallin'
SOS i am fallin'
SOS i am fallin' now
