

# Madeon, Pay No Mind (ft. Passion Pit)

She was dancing, she was smiling  
Roses blooming in her cheeks,  
In her quiet kind of litany,  
She accepted some defeat,  
And then she twirled into the arms  
Of disgrace, and then repelled  
Now she's fallin' to her knees,  
But you couldn't ever tell

And then, she asked me how we got here  
I told her I don't know  
And if you keep on asking  
I'll just keep saying so  
This isn't what I wanted  
It isn't what you need  
But let them keep on talking  
Just calm yourself and  
Pay, don't you pay them any mind  
Don't you pay them any mind  
You know this happens every time  
Now don't you pay them (any mind)

By the burdens of her mother  
We'll make sound based off their eyes  
As she closes, just to open  
As the sirens wailing by  
And now she's off to tell a secret  
To her friend somewhere in town  
And her friend just takes a moment  
And asks why I'm not around

Darling, this is something  
I should have told you long ago  
I just want you to feel safe  
I just want to make you glow  
Oh, how you glowed when we were young  
And with nothing on our minds  
But each other, one another  
And we had nothing but more time

And then, she asked me how we got here  
I told her I don't know  
And if you keep on asking  
I'll just keep saying  
So, this isn't what I wanted  
It isn't what you need  
But let them keep on talking  
Just calm yourself and  
Pay, don't you pay them any mind  
Don't you pay them any mind  
You know this happens every time  
Now don't you pay them any mind

Why do we have to, go through this every time

Some days you hear it (don't listen, I'll carry you)  
Some days you don't (to the universe we'll never go)  
Sometimes you feel it (it's not worth it, help me)  
Sometimes you won't

Just calm yourself and  
Pay, don't you pay them any mind  
Don't you pay them any mind  
You know this happens every time

Now don't you pay them any mind  
Don't you pay them any mind  
Don't you pay them any mind  
You know this happens every time  
Now don't you pay them any mind
