

# Madina Lake, Never Take Us Alive

Sometimes I feel like Im from another world  
And everything I want in life seems impossible  
Cause people will tear you apart  
But in the bottom of our hearts, our dreams are alive inside  
But we wont forget  
So, we say,  
You cant break, cant change, cant take us down (we love this town)  
We stand, well fight, and fight as our right.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive.  
For the last time, I keep myself to the under man  
But letting their words walk all over me  
Cause people, theyll tear you apart  
If you are not like them, and we are different  
Let the war begin  
So, we say,  
You cant break, cant change, cant take us down (we love this town)  
We stand, well fight, and fight as our right.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive.  
There is no fear inside  
This our time, no giving up.  
We connect our hearts to our minds,  
Theres no stopping us.  
So, we say,  
You cant break, cant change, cant take us down (we love this town)  
We stand, well fight, and fight as our right.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive. Whoa-oh. Whoa-oh.  
Youll never take us alive.
