MADISON - #1 (RAC remix)

MADISON - number 1

I can't wait for the day
Waking up to sunshine
Come on put me up high
Gonna get out and play
Scoop me and then your ride
We can get to countryside
Telling magic to stay
Counting on the rainbows
Looking at the lane down

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

Tell me something, Mr. #1
Tell me something you've never done
Tell me something, #1
I tell you something, #1

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

By the end of the day
We never made it at the door
Spent to hold it on the floor
Now the moon has her way
Friend to try that in tonight
We can catch the sky line

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

I gave you all my best,
to give you nothing less
I triple cross my heart,
I doug you from the start

Sing me more years away
To chase the day
Make that fever last
Don't let that fever past

Keep the magic all the day
Don't let it go or get away
Entwine your body into mine
You're now a favourite time
