

Madison Beer, Selfish

boy, you're such a lost cause
now your name is crossed off
how you gonna fix this?
you can't even fix yourself

it was almost 2 years
that I chose to spend here
all alone om news Year's
thinking: What the hell?

I don't wanna beak your thread and needle
tryna switch you, but I can't , I refuse

shouldn't have you but I couldn't help it
had a feeling that you never felt it
I walwys knew that you were too damn selfish
don't know why I looked the other way
I wanted you to change it
I shouldn't have you but I couldn't help it
I always knew that you were too damn selfish

I bet tou though you gave me real love
but we spent it all in nightclubs
all you ever wanna do is lie
why you always such a Gemini?

baby, who you tryna run from?
me or all your problems?
you know you will never solve 'em
you don't even know yourlself

I don't wanna beak your thread and needle
tryna switch you, but I can't , I refuse

shouldn't have you but I couldn't help it
had a feeling that you never felt it
I walwys knew that you were too damn selfish
don't know why I looked the other way
I wanted you to change it
I shouldn't have you but I couldn't help it
I always knew that you were too damn selfish

I don't wanna beak your thread and needle
tryna switch you, but I can't , I refuse

but it's not possible
plus I ma not responsible
for your self-made obstacles
put my heart in the hospital

shouldn't have you but I couldn't help it
had a feeling that you never felt it
I walwys knew that you were too damn selfish
don't know why I looked the other way
I wanted you to change it
I shouldn't have you but I couldn't help it
I always knew that you were too damn selfish
