

# Madness, The Sweetest Girl

(Green)

The sweetest girl in all the world  
These eyes are for you only  
The sweetest girl in all the world  
These eyes are for you only  
The sweetest girl in all the world  
These words that die before me  
The sweetest girl in all the world  
These words that die before me

When we walk in the park  
I never can tell  
When we walk in the dark  
I never can tell  
It's just loving it  
Ooooo loving it

The sweetest boy in all the world  
His life has got so lonely  
The sweetest boy in all the world  
His life has got so lonely  
The maddest group in all the world  
How could they do this to me  
The maddest group in all the world  
How could they do this to me

What I want I shall take  
What you think that you know  
Oooo such an awful mistake  
To never let go

When the government falls  
I wish I could tell  
When necessity calls  
I never can tell

The weakest link in any chain  
I always want to find them  
The strongest words in each belief  
Find out what's behind them  
Politics is prior to the vagaries of science  
She left because she understood  
The value of defiance

The sweetest girl in all the world  
These eyes are for you only  
The sweetest boy in all the world  
His life has got so lonely  
The sweetest girl in all the world  
These words that die before you  
She wants to go but she don't know why  
Loving it oooo loving it  
The maddest group in all the world  
How could they do this to me  
The sweetest boy in all the world  
His life has got so lonely  
The sweetest girl in all the world  
These words that die before you  
The sweetest boy in all the world  
His life has got so lonely
