

Madonna, Dark Ballet (ft. Mykki Blanco)

it's a beautiful life, but i am not concerned
it's a beautiful dream, but the dream is end
i can dress like a boy
i can dress like a girl
keep your beautiful words
cause i am not concerned

cause your world is such a shame
cause your world's obsessed with fame
cause your world's in so much pain
cause your world's, cause your world's
up in flames

it's a beautiful plan, but i am not concerned
it's a beautiful game, that I've never learnt
people tell me to shout my mouth
that i might get burned
keep our beautiful lies
cause I'm not concerned

cause your world is such a shame
cause your world's obsessed with fame
cause your world's in so much pain
cause your world's, cause your world's
up in flames
