

# Madonna, Easy Ride

I want the good life  
But I don't want an easy ride  
What I want is to work for it  
Feel the blood and sweat on my fingertips  
That's what I want for me

I want to know everything  
Maybe someday I will  
What I want is to find my place  
Breathe the air and feel the sun on my children's face  
That's what I want

[Chorus:]

I go round and round just like a circle  
I can see a clearer picture  
When I touch the ground I come full circle  
To my place and I am home  
I am home

I want to let go of all disappointment that's waiting for me  
What I want is to live forever  
Not defined by time and space  
It's a lonely place  
That's what I want

[chorus, repeat and fade]
