Madonna, GANG BANG

Like a bitch out of order Like a bat out of hell Like a fish out of water I'm scared, can't you tell Bang Bang Bang Bang

I thought you were good But you painted me bad Compared to the others you're the best thing I had Bang Bang, shot you dead Bang Bang, shot you dead

I thought it was you
And I loved you the most
But I was just keeping
My enemies close
I made a decision, I would never look back
So how did you end up with all my jack?
Bang Bang, shot you dead
Bang Bang, shot you dead (in the head)

Bitch out of order
Bat out of hell
Fish out of water
I'm scared, can't you tell
Bang Bang, shot you dead
Bang Bang, shot you dead

I made a decision, I would never look back So how did you end up with all my jack?

Bang Bang, shot you dead Bang Bang, shot you dead

Bang Bang, shot you dead, shot my lover in the head Bang Bang, shot you dead and I have no regrets Bang Bang, shot you dead in the head Bang Bang, shot you dead, shot my lover in the head

And then I discovered It couldn't get worse You were building my coffin You were driving my hearse Bang Bang, shot you dead Bang Bang, in the head

I thought it was you
And I loved you the most
But I was just keeping
My enemies close
I made a decision,
I would never look back
So how did you end up with all of my jack?
Bang Bang, shot you dead, in the head

Bang Bang, shot you dead, my lover in the head Bang Bang, shot you dead and I have no regrets Bang Bang, shot you dead, in the head

Bang Bang, shot you dead, shot my lover in the head

You had to die for me baby

You had to die for me baby

1 2 3... 1 2 3...

Bang Bang, shot you dead, shot my lover in the head Bang Bang, shot you dead, shot my lover in the head Bang Bang, shot you dead, shot my lover in the head, Now my lover is dead, and I have no regrets He deserved it

And I'm going straight to hell
And I've got a lot of friends there
And if I see that bitch in hell
I'm gonna shoot him in the head again
Cause I wanna see him die
Over and over and over and over and over and over now drive bitch
I said: "Drive bitch"
And while you're at it, die bitch
That's right drive bitch
I said: "Drive bitch"
And while you're at it, die bitch
That's right drive bitch
That's right drive bitch
That's right drive bitch
That's right drive bitch

Now if you're gonna act like a bitch Then you're gonna die like a bitch
