Madonna, Get Together

(There's too much confusion) (It's all an illusion) (there's too much confusion)

Down, down, down in your heart Find, find, find the secret Turn, turn, turn your head around Baby we can do it We can do it all right

Do you believe in love at first sight It's an illusion, I don't care Do you believe I can make you feel better Too much confusion, come on over here

[Chorus]
Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too

I searched, I searched my whole life To find, find, find the secret But all I did was open up my eyes Baby we can do it we can do it all right

Do you believe that we can change the future Do you believe I can make you feel better

[Chorus X2]

It's all an illusion
There's too much confusion
I'll make you feel better
If it's bitter at the start
Then it's sweeter in the end
