

# Madonna, Hey You

Hey you, don't you give up  
It's not so bad  
There's still the chance for us  
Hey you, just be yourself  
Don't be so shy  
There's reasons why it's hard

Keep it together, you'll make it alright  
Our celebration is going on tonight  
Poets and prophets would envy what we do  
This could be good, hey you

Hey you, open your heart  
It's not so strange  
You've got to change this time  
Hey you, remember this  
None of it's real including the way you feel

Keep it together, we'll make it alright  
Our celebration is going on tonight  
Poets and prophets would envy what we do  
This could be good, hey you

Save your soul, little sister  
Save your soul, little brother  
Hey you, save yourself  
Don't rely on anyone else

First love yourself  
Then you can love someone else  
If you can change someone else  
Then you have saved someone else  
But you must first love yourself  
Then you can love someone else  
If you can change someone else  
Then you have saved someone else  
But you must first

Hey you, there on the fence  
You've got a choice  
One day, it will make sense  
Hey you, first love yourself  
Or if you can't  
Try to love someone else

Keep it together, we'll make it alright  
Our celebration is going on tonight  
Poets and prophets will envy what we do  
This could be good, hey you

First love yourself  
Then you can love someone else  
If you can change someone else  
Then you have saved someone else  
But you must first love yourself  
Then you can love someone else  
If you can change someone else  
Then you have saved someone else  
But you must first
