Madonna, Hollywood

Everybody comes to Hollywood They wanna make it in the neighborhood They like the smell of it in Hollywood How could it hurt you when it looks so good

Shine your light now This time it's gotta be good You get it right now (yeah) 'Cause you're in Hollywood

There's something in the air in Hollywood The sun is shining like you knew it would You're ridin' in your car in Hollywood You got the top down and it feels so good

I lost my memory in Hollywood I've had a million visions, bad and good There's something in the air in Hollywood I tried to leave it but I never could

Shine your light now This time it's gotta be good You get it right now (yeah) 'Cause you're in Hollywood

There's something in the air in Hollywood I've lost my reputation, bad and good You're ridin' in your car in Hollywood You got the top down and it feels so good

Music stations always play the same songs I'm bored with the concept of right and wrong

Everybody comes to Hollywood They wanna make it in the neighborhood They like the smell of it in Hollywood How could it hurt you when it looks so good

Shine your light now This time it's gotta be good You get it right now (yeah) 'Cause you're in Hollywood

'Cause you're in Hollywood 'Cause you're in Hollywood In Hollywood [repeat three times]

Check it out, this bird has flown

Shine your light now This time it's gotta be good You get it right now (yeah) 'Cause you're in Hollywood

'Cause you're in Hollywood 'Cause you're in Hollywood In Hollywood [repeat three times]
