

# Madonna, I'd Rather Be Your Lover

Chorus:

I could be your sister, I could be your mother  
We could be friends, I'd even be your brother  
But I'd rather be your lover  
That's right, I'd rather be your lover

I don't know where I stand with you  
I never ever make any plans with you  
I don't know what I mean to you  
The only thing I know is I dream of you

Bridge:

And all that I know [all that I know]  
Is I just don't understand [just don't understand]  
Why my, mmmm, happiness always lies  
In the palm of your hand, but

(chorus)

Sometimes I know what you're thinking next  
But wouldn't it be better if I loved you less?  
Sometimes I think that I made you up  
But wouldn't it be better if I gave you up?

(bridge)

(chorus)

Are you surprised?

(Spoken:)

Tell me whatch-ya want, tell me whatch-ya need  
Tell me whatch-ya want, tell me whatch-ya need  
I, I betcha I, I give you whatch-ya need  
Take a walk within me, venture through the dark sea  
Can't you see, I need you beside me  
Don't you see, I want you to want me

(bridge)

(chorus, repeat)

Are you surprised?

(chorus)

Are you surprised? Are you?
