

Madonna, Isaac

[Hebrew:]

Im ninalu daltey Nedivim

daltey Nedivim

Daltey Marom

[English translation:

[If doors of generous men are locked,
Doors of heaven]

Staring up into the heavens

In this hell that binds your hands

Will you sacrifice your comfort

Make your way in a foreign land

Wrestle with your darkness

Angels call your name

Can you hear what they are saying

Will you ever be the same

[Chorus]

Mmmm mmm mmm

Im Nin'alu, Im Nin'alu

Mmmm mmm mmm

Im Nin'alu, Im Nin'alu

[English translation: "If they are locked;]

Remember, remember

Never forget

All of your life has all been a test

You will find the gate that's open

Even though your spirit's broken

Open up my heart

Cause my lips to speak

Bring the heavens and the stars

Down to earth for me

[Chorus X2]

Wrestle with your darkness

Angels call your name

Can you hear what they are saying

Will you ever be the same

[Chorus X2]
