

# Madonna, Little Star

Never forget who you are  
Little star  
Never forget how to dream  
Butterfly

God gave a present to me  
Made of flesh and bones  
My life, my soul  
You make my spirit whole

Never forget who you are  
Little star  
Shining brighter than all the stars in the sky  
Never forget how to dream  
Butterfly  
Never forget where you come from  
From love

You are a treasure to me  
You are my star  
You breathe new life  
Into my broken heart

Never forget who you are  
Little star  
Never forget how to dream  
Butterfly

May the angels protect you  
And sadness forget you  
Little star

There's no reason to weep  
Lay your head down to sleep  
Little star

May goodness surround you  
My love I have found you  
Little star

Shining bright

You breathe new life  
Into my broken heart

Never forget who you are  
(Whispered:) Little star  
Shining brighter than all the stars in the sky  
Never forget how to dream  
Butterfly  
Flying higher than all the birds in the sky

Never forget who you are  
Little star  
Never forget where you come from  
From love

Little star  
Little star  
(Whispered:) Little star  
From love
