Madonna, Little Star

Never forget who you are Little star Never forget how to dream Butterfly

God gave a present to me Made of flesh and bones My life, my soul You make my spirit whole

Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Never forget where you come from
From love

You are a treasure to me You are my star You breathe new life Into my broken heart

Never forget who you are Little star Never forget how to dream Butterfly

May the angels protect you And sadness forget you Little star

There's no reason to weep Lay your head down to sleep Little star

May goodness surround you My love I have found you Little star

Shining bright

You breathe new life Into my broken heart

Never forget who you are (Whispered:) Little star Shining brighter than all the stars in the sky Never forget how to dream Butterfly Flying higher than all the birds in the sky

Never forget who you are Little star Never forget where you come from From love

Little star Little star (Whispered:) Little star From love
