## Madonna, Love Profusion

There are too many questions There is not one solution There is no resurrection There is so much confusion

And the love profusion You make me feel You make me know And the love vibration You make me feel You make it shine

There are too many options
There is no consolation
I have lost my illusions
What I want is an explanation

And the love profusion You make me feel You make me know And the love direction You make me feel You make me feel You make me shine You make me shine You make me feel

I got you under my skin I got you under my skin I got you under my skin I got you under my skin

There is no comprehension There is real isolation There is so much destruction What I want is a celebration

And I know I can feel bad When I get in a bad mood And the world can look so sad Only you make me feel good

I got you under my skin I got you under my skin I got you under my skin I got you under my skin

I got you under my skin I got you under my skin I got you under my skin I got you under my skin

And the love profusion
You make me feel
You make me know
And the love intention
You make me feel
You make me shine
You make me feel
You make me shine
You make me feel

I got you under my skin I got you under my skin

And I know I can feel bad When I get in a bad mood And the world can look so sad Only you make me feel good
