

Madonna, Lucky Star

You must be my Lucky Star
'Cause you shine on me wherever you are
I just think of you and I start to glow
And I need your light
And baby you know

[Chorus:]

Starlight, starbright first star I see tonight
Starlight, [starbright] make everything all right
Starlight, starbright first star I see tonight
Starlight, [starbright] yeah

You must be my Lucky Star
'Cause you make the darkness seem so far
And when I'm lost you'll be my guide
I just turn around and you're by my side

[chorus]

Come on shine your heavenly body tonight
'Cause I know you're gonna make everything all right

You may be my lucky star
But I'm the luckiest by far
