

Madonna, Nobody Knows Me

I've had so many lives
Since I was a child
And I realise
How many times I've died

I'm not that kind of guy
Sometimes I feel shy
I think I can fly
Closer to the sky

No one's telling you how to live your life
But it's a setup until you're fed up

This world is not so kind
People trap your mind
It's so hard to find
Someone to admire

I, I sleep much better at night
I feel closer to the light
Now I'm gonna try
To improve my life

No one's telling you how to live your life
But it's a setup until you're fed up
It's no good when you're misunderstood
But why should I care
What the world thinks of me
Won't let a stranger
Give me a social disease

Nobody, nobody knows me
Nobody knows me
Nobody knows me
Like you know me

Nobody knows me
Nobody knows me
Nobody knows me
Like you know me

No one's telling you how to live my life
But it's a setup, and I'm just fed up
It's no good when you're misunderstood
But why should I care
What the world thinks of me
Won't let a stranger
Give me a social disease

I don't want no lies
I don't watch TV
I don't waste my time
Won't read a magazine

I don't want no lies
I don't watch TV
I don't waste my time
Won't read a magazine

I, I sleep much better at night
I feel closer to the light
Now I'm gonna try
To improve my life

Nobody, nobody, nobody, nobody knows me
Nobody knows me
Nobody knows me
Like you know me

*Nobody knows me
Nobody knows me
Nobody knows me
Like, like you know me
Like you know me
Like you know me
Like you know me
Like you know me

*(Its no fun but the damage is done
Don't want your social disease
Don't want your social disease)

**Nobody knows me
Nobody knows me
Nobody knows me
Like you know me

Nobody knows me
Nobody knows me
Nobody knows me
Don't want your social disease

** (I don't want no lies
I don't watch TV
I don't waste my time
Won't read a magazine
I don't want no lies
I don't watch TV
Won't read a magazine)
