Madonna, Nobody's Perfect

Cool I am When I am with you Cool I'm not When I am lonely

I feel so sad What I did wasn't right I feel so bad And I must say to you

Sorry, but

Nobody's perfect Nobody's perfect What did you expect I'm doing my best

I feel so sad But you know I'll be true I feel so bad And I must say to you

Sorry, but

Nobody's perfect Nobody's perfect What did you expect I'm doing my best

Nobody's perfect Nobody's perfect I was dishonest I will do my best Yeah

Cool I am
When I am with you
Cool I'm not
When I am lonely

Nobody's perfect Nobody's perfect What did you expect I'm doing my best

Nobody's perfect Nobody's perfect I was dishonest I will do my best Yeah

Mmm, mmm, yeah Mmm, mmm, yeah Perfect, perfect, perfect [repeat and fade]
