

# Madonna, Nothing Really Matters

When I was very young  
Nothing really mattered to me  
But making myself happy  
I was the only one

Now that I am grown  
Everything's changed  
I'll never be the same  
Because of you

[Chorus:]

Nothing really matters  
Love is all we need  
Everything I give you  
All comes back to me

Looking at my life  
It's very clear to me  
I lived so selfishly  
I was the only one

I realize  
That nobody wins  
Something is ending  
And something begins

[chorus, repeat]

Nothing takes the past away  
Like the future  
Nothing makes the darkness go  
Like the light

You're shelter from the storm  
Give me comfort in your arms

[chorus, repeat and fade]
