Madonna, Nothing Really Matters

When I was very young Nothing really mattered to me But making myself happy I was the only one

Now that I am grown Everything's changed I'll never be the same Because of you

[Chorus:]

Nothing really matters Love is all we need Everything I give you All comes back to me

Looking at my life It's very clear to me I lived so selfishly I was the only one

I realize That nobody wins Something is ending And something begins

[chorus, repeat]

Nothing takes the past away Like the future Nothing makes the darkness go Like the light

You're shelter from the storm Give me comfort in your arms

[chorus, repeat and fade]
