## Madonna, Oh Father

It's funny that way, you can get used To the tears and the pain What a child will believe You never loved me

## [Chorus:]

You can't hurt me now I got away from you, I never thought I would You can't make me cry, you once had the power I never felt so good about myself

Seems like yesterday I lay down next to your boots and I prayed For your anger to end Oh Father I have sinned

## [chorus]

Oh Father you never wanted to live that way You never wanted to hurt me Why am I running away [repeat]

Maybe someday When I look back I'll be able to say You didn't mean to be cruel Somebody hurt you too

[chorus]
