

Madonna, Physical Attraction

You say that you need my love
And you're wantin' my body, I don't mind
Baby all I've got is time
And I'm waiting to make you mine

You say you wanna stay the night
But you'll leave me tomorrow, I don't care
All of your moves are right
We can take it anywhere, this

[Chorus:]

Physical attraction
It's a chemical reaction
Physical attraction
Chemical reaction

Trying hard to get away
But I can't seem to fight the way I feel
Even though you're not for real
Your touch is driving me
Crazy and when you smile
It's just makin' me want you more and more
Baby won't you stay a while
It could be such a fantasy

[chorus]

Maybe we were meant to be together
Even though we never met before
We got to move before the sun is rising
And you'll be walking slowly out the door

[chorus]
