

# Madonna, Runaway Lover

You lost your reputation on a woman  
You didn't understand or care to know  
You get your education from your lovers  
But now there's just no place for you to go

It doesn't pay  
To be a runaway lover  
It doesn't pay  
To give away what you lack  
You'll never get your money back

You're set adrift with no direction  
Just like a ship that's lost at sea  
You don't care where you drop your anchor  
Make sure it doesn't land on me

It doesn't pay  
To be a runaway lover  
It doesn't pay  
To give away what you lack  
You'll never get your money back

Walking around on a cloud  
Cause every girl you meet just trips on you  
Saying your name out loud  
I guess you met your match  
Now what will you do

It doesn't pay  
To be a runaway lover  
It doesn't pay  
To give away what you lack  
You'll never get your money back
