Madonna, Spanish Eyes

I know for sure his heart is here with me Though I wish him back, I know he cannot see My hands trembling, I know he hears me sing

[Chorus:]

I light this candle and watch it throw
Tears on my pillow
And if there is a Christ, he'll come tonight
To pray for Spanish eyes
And if I have nothing left to show
Tears on my pillow
What kind of life is this if God exists
Then help me pray for Spanish eyes

He had to fight like all the rest In the barrio all the streets are paved with fear I don't understand; at least he was a man

[chorus]

[Intermediate:]

How many lives will they have to take? How much heartache? How many suns will they have to burn? Spanish eyes When will they ever learn?

You were not the Maravilla in our minds We were proud to fight but we cannot win this blind Stand your guns against the wall Who's next in line to fall

[chorus]

[Spoken:]

Tus lagrimas de tristeza No me dejan olvidarte Your tears of sadness Will not let me forget you

[intermediate]
