

# Madonna, Turn Up The Radio

When the world starts to get you down  
And nothing seems to go your way  
And the noise of the maddening crowd  
Makes you feel like you're going to go insane

There's a glow of a distant light  
Calling you to come outside  
To feel the wind on your face and your skin  
And it's here I begin my story

Turn up the radio  
Turn up the radio  
Don't ask me where I wanna go  
We gotta turn up the radio

It was time that I opened my eyes  
I'm leaving the past behind  
Nothing's ever what it seems  
Including this time and these crazy dreams

I'm stuck like a moth to a flame  
I'm so tired of playing this game  
I don't know how I got to this state  
Let me out of my cage cause I'm dying

Turn up the radio  
Turn up the radio  
Don't ask me where I wanna go  
We gotta turn up the radio

Turn up the radio  
Turn up the radio  
Don't ask me where I wanna go  
We gotta turn up the radio

I just wanna get in my car  
I wanna go fast and I gotta go far  
Don't ask me to explain how I feel  
'Cause I don't want to say where I'm going

Turn down the noise and turn up the volume  
Don't have a choice cause the temperatures pounding  
Leaving this place is the last thing I do  
That I want to escape with a person just like you

I'm stuck like a moth to a flame  
I'm so sick and tired of playing this game  
We gotta have fun it it's all that we do  
Gotta shake up the system and break all the rules  
Gotta turn up the radio until the speakers blow

Turn up the radio  
Turn up the radio  
Don't ask me where I wanna go  
We gotta turn up the radio

Turn up the radio  
Turn up the radio  
There's somethings you don't need to know  
Just let me turn up the radio

Turn up the radio  
Just let me turn up the radio  
Just let me turn up the radio
