

Madonna, Where Life Begins

Warm inside, yeah
I'd like to direct your attention
To something that needs directing to
A lot of people talk about
Dining in and eating out
I guess that's what this song's about

I know this is not a dining room conversation
And you don't have to listen if you don't have the time
But let me remind you in case you don't already know
Dining out can happen down below

[Bridge:]

Everybody's talkin' 'bout
Wanting that and needing this
I'd just like to know
If you want to learn a different kind of kiss

[Chorus:]

So won't you go down where it's warm inside
Go down where I cannot hide
Go down where all life begins
Go down that's where my love is

Now what could be better than a home cooked meal
How you want to eat it depends on how you feel
You can eat all you want and you don't get fat
Now where else can you go for a meal like that
It's not fair to be selfish or stingy
Every girl should experience eating out
Sometimes when I come home from a hard day at work
I swear it's all I can think about

[bridge, substituting "way to" for "kind of"]
[chorus]

Colonel Sanders says it best
"Finger lickin' good"
Let's put what you've learned to the test
Can you make a fire without using wood
Are you still hungry; aren't you glad we came
I'm glad you brought your raincoat
I think it's beginning to rain

[bridge, substituting "way to" for "kind of"]
[chorus, repeat]

That's where my love is
Come inside
That's where all life begins
It's warm inside
