

Madox, One More Shot

music matters
are popin' popin'
do teh
before we
stopin' stopin'

meet me on the dance floor
babe let your hands explore

after three
I've be persuaded
forget about your drama
save it for your mama

give me one more check
baby, feel my body
gonna dance all night
won't stop this party

One More Shot
can you feelin' now?
let's do one more round
give me One More Shot now!

just save me
like you
make me
like you
just make me like you
make me
like you

now we're having fun
like a buddy, buddy
touch my body
make me feel
naughty, naughty

meet me on the dance floor
babe let your hands explore

we feel betters
keep on coming, coming
coolshakes
let the

want you the window
never let me go

give me one more check
baby, feel my body
gonna dance all night
won't stop this party

One More Shot
can you feelin' now?
let's do one more round
give me One More Shot now!

just save me
like you
make me
like you
just make me like you

make me
like you
