

Magdalena Tul, SO GOOD (feat. Sound'n'Grace)

I've never, never felt so good!
I've never, never felt so fine!
I've never, never realized that
I'm looking for someone

Who'll give me some joy
Who'll give me much more
Who'll show some respect
Who'll never forget
/2x

I've never, never felt so good!
I've never, never felt so fine!
I've never, never realized that
I'm looking for someone

Who'll give me some joy
Who'll give me much more
Who'll show some respect
Who'll never forget
/2x

Now I can be sincere
Coz I don't need to find .. him
He gives me more I've ever good
He gives me love
And I'm gonna share it
I can be sincere
Coz I don't need to find .. him
He gives me more I've ever good
He gives me love
And I'm gonna share it
Right know!

You be on my heart
It always be true
