

Magic Dirt, Brat

Don't listen to me when I talk like that
When I talk a lot of crap
And it's at your back
I don't wanna stain you
I don't wanna scar you
Don't wanna criticize you but don't listen to me
Don't listen to me when I talk like that
Like that
like that
like that
real crap
That's sad it don't get you anywhere when I talk like that
Don't listen to me when I talk like that
When I talk a lot of crap
Don't listen to me
Don't listen to me
