

Magnum, Don't Cry

talk to me softly
there is something in your eyes
you've been hid in sorrow
and please don't cry
i know how you feel inside i,
i've been here before
something is changing inside you
and don't you know

don't you cry tonight
i still love you baby
and don't you cry tonight
don't you cry tonight
there's a heaven above you baby
and don't you cry tonight

give me a whisper
and give me a sigh
give me a kiss before you
tell me goodbye
don't you take it so hard now
and please don't take it so bad
you know i'll be thinking about you
and the times we had baby

and don't you cry tonight
and don't you cry tonight
don't you cry tonight
there's a heaven above you baby
and don't you cry tonight

and please remember that i'd never lie
and please remember how i felt inside now honey
you gotta make it your own way
but you'll be alright now sugar
you'll feel better tomorrow
in the morning light now baby

and don't you cry tonight
and don't you cry tonight
don't you cry tonight
there's a heaven above you baby
and don't you cry
don't you ever cry
don't you cry tonight
baby, maybe, someday
don't you cry
don't you ever cry
and don't you cry tonight
