

Magnum, Rockin' Chair

You want love - you get hate
You push and shove, you know you just can't wait
You've had your fun, you don't fool no one
You build it up - to tear it down
You're running out of luck, I won't get kicked around
I could drive all night till you're out of sight

Hide and seek - turning on the heat
Running like a cadillac (like a cadillac)
I'm so sick and tired - you're a damn dirty liar
When I run, I said I ain't coming back

Oh, you better beware
Keep on rocking this house, baby, I don't care
Breaking out this jailhouse, going nowhere
I ain't ready for no rockin' chair

When you came - you play rough
Now I know your game and you ain't tough enough
Don't know what you've done 'cause you ain't begun
You fool with me - you're going to lose
You've got to understand that you don't get to choose
When night comes around I can't be found

Hide and seek - turning on the heat
Running like a cadillac (like a cadillac)
I'm so sick and tired - you're a damn dirty liar
When I run, I said I ain't coming back

Oh, you better beware
Keep on rocking this house, baby, I don't care
Breaking out this jailhouse, going nowhere
I ain't ready for no rockin' chair

Red sky burning - won't be no returning - so long
Fire up the motor - don't you get no closer - I'm gone

Oh, you better beware
Keep on rocking this house, baby, I don't care
Breaking out this jailhouse, going nowhere
I ain't ready for no rockin' chair

I don't need no rockin' chair
I don't want no rockin' chair
I don't need no rockin' chair
I don't want no rockin' chair
