

Magnum, Sweets For My Sweet

And if you wanted that star that shines so brightly
To match that stardust in your eye
Darling, I would chase that bright star nightly
And try to steal it from the sky

I would bring
Sweets for my sweet, sugar for my honey
Your first sweet kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go

And if you wanted a love to last forever
Darling, I would send my love your way
And my love'd not only last forever
But that's forever and a day

I would bring
Sweets for my sweet, sugar for my honey
Your first sweet kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go

And if you wanted a dream to keep you smiling
I'd tell the sandman you were blue
And I would ask him to keep that sand a-piling
Until your dreams had all come true

I would bring
Sweets for my sweet, sugar for my honey
Your first sweet kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go
