

# Magnum, Tell Tale Eyes

She gives it everything she's got  
I believe it's going to be a lot  
'Cause deep in her heart  
She's got a steam hammer pumping - keeps jumping  
You know - you know - you know - you know  
There's nothing in the world  
That makes you feel that something

She don't know she's got the key  
But she's working at it desperately  
You can tell by her walk  
She's just a natural lover - no cover  
You know - you know - you know - you know  
There's nothing in the world  
Compares or makes you suffer

Like the feel of a woman, feel of a woman  
Feel of a woman, leaves me defenceless  
Like the tears of a woman and those tell tale eyes  
Tears of a woman, still leaves me helpless

She gives it everything she's got  
I believe it's going to be a lot  
'Cause deep in her heart  
She's got a steam hammer pumping - keeps jumping  
You know - you know - you know - you know  
There's nothing in the world  
That makes you feel that something

Like the feel of a woman, feel of a woman  
Feel of a woman, leaves me defenceless  
Like the tears of a woman, and those tell tale eyes  
Tears of a woman, still leaves me helpless
