

Magnum, Two Hearts

Send my love on the telephone
No one answers, no one's home
Call after call, I just get nothing at all
Dirty feelings, they can't be right
Try again for tomorrow night
No luck at all has got me walking the floor

Good love - forsaken
Two hearts - one breaking
Good love - mistaken
Two hearts - one aching

Send my love on the telephone
No one answers, no one's home
Call after call, I just get nothing at all
Dirty feelings, they can't be right
Try again for tomorrow night
No luck at all has got me walking the floor

Good love - forsaken
Two hearts - one breaking
Good love - mistaken
Two hearts - one aching
