

Maia Maia, Beautiful Bullshit (Dania - piosenka na

Oh, oh, oh, oh

Oh, oh, I know that smile
'Bout to mes up my life
Slowly, surely
I should've seen the way
That you manipulate
I hate that I love it

When you say that I'm the only one
I can taste the lie on the tip of your tongue

I love your beautiful bullshit
I fall for it every time
You're always saying the right things
To make me think that you are mine
It's kinda hard to admit that I'm an idiot
I keep on falling back to you
In your beautiful bullshit
I fall for it every time
(Oh, oh, oh, oh)

My heart is in your hands
You play me 'cause you can
So cruel, so good
I'm so obsessed with you
I can't stay away from you
I don't wanna know the truth

I love your beautiful bullshit
I fall for it every time
You're always saying the right things
To make me think that you are mine
It's kinda hard to admit that I'm an idiot
I keep on falling back to you
In your beautiful bullshit
I fall for it every time
(Oh, oh, oh, oh)

I fall for you
Oh, oh, oh, oh
Oh, oh, oh, oh, I fall for it every time
I fall for it
Oh, oh, oh, oh
Oh, oh, oh, oh, I fall for it every time
[Pre-Chorus]
When you say that I'm the only one
I can taste the lie on the tip of your tongue

I love your beautiful bullshit
(I fall for, I fall for it every time)
I, yeah
(I fall for, I fall for it every time)
Ooh, ooh
(I fall for, I fall for it every time)
I fall for it every
(I fall for, I fall for it every time)

I love your beautiful bullshit
I fall for it every time
You're always saying the right things
To make me think that you are mine
It's kinda hard to admit that I'm an idiot
I keep on falling back to you

Inyour beautiful bullshit
I fall for it every time

I fall for you every time
