

Maja Koman, Dear Sadness

Dear Sadness
Dear Sadness
Why do you come so often to me?
Dear Sadness
Dear Sadness
Why do you so close to me?

I know you're inspiring
But you so bad
I know you want me to be ...
I know you show me...
But saw me
You want me to be here
As I disappear

No, I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
To you

I'm not coming back

Dear Sadness
Dear Sadness
Why do you not trust me?
Dear Sadness
Dear Sadness
Why do toy stress and darkness show me
I know you're inspiring
But you so bad
I know you want me to be ...
I know you show me...
But saw me
You want me to be here
As I disappear

No, I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
I'm not coming back
To you

I'm not coming back
