

Major Lazer, Cold Water (ft. Justin Bieber, MØ)

Everybody gets high sometimes, ya know
What else can we do when we're feeling low?
So take a deep breath and let it go
You shouldn't be drowning on your own

And if you feel you're sinking,
I will jump right over
Into cold, cold water for you
And although time may take us into different places
I will still be patient with you
And I hope you know

I won't let go
I'll be your life line tonight
I won't let go
I'll be your life line tonight

Cause we all get lost sometimes, you know
It's how we learn and how we grow
And I wanna lay with you til I'm old
You shouldn't be fighting on your own

And if you feel you're sinking,
I will jump right over
Into cold, cold water for you
And although time may take us into different places
I will still be patient with you
And I hope you know

I won't let go
No, no more
I'll be your life line tonight
I won't let go
I'll be your life line tonight

[MØ:]
Come on, come on
Save me from my rocking boat
I just want to stay afloat
I'm all alone
And I hope someone's gonna take me home
Somewhere I can rest my soul
I need you to know

I won't let go
I won't let go, oh no, no no
I'll be your life line tonight
I won't let go
I'll be your life line tonight
I won't let go
I won't let go
