

Major Lazer, Hell and High Water (feat. Alessia Cara)

I had to pay my dues
I've hit all my rock bottoms
I feel right through the roof
I swam through heavy waters

Life can get difficult
I know, o know it
But one thing i know for sure
Is i sm still breathing

I am falling form the sy
But it don't mea nothing
Bring on the hell and high water
I want and lost my mind
But you know i am still running
Running through right
Through the fire*
