## Major Lazer, Hell and High Water (feat. Alessia C

I had to pay my dues I've hit all my rock bottoms I feel right thhrough the roof I swam through heavy waters

Life can get difficut I know, o know it But one thing i know for sure Is i sm still breathing

I am falling form the sy But it don't mea nothing Bring on the hell and high water I want and lost my mind But you know i am still running Running through right Through the fire\*
