

Make It Pop, Back To Me

You were there for me
When times were tough
All the little things that we did
Is it enough?
I thought we belonged together
Maybe we could last forever
All the little things that we did
We did for us

All:
Won't you come back?
Won't you come back?
Won't you come back
Back to me x2
I'm coming to find you
I'm bringing you home
I know you're out there on your own
Won't you come back?
Won't you come back?
Won't you come back
Back to me

Jodi:
I know you were made
We're made, made for me
It's so hard to explain
The things that you can't see
I thought we belonged together
Made it through the stormy weather
Don't you know you're made
You're made, made for me

Corki:
Where did you go
I need you today
Cuz there's no one that could take your place

All:
Won't you come back?
Won't you come back?
Won't you come back
Back to me x2
I'm coming to find you
I'm bringing you home
I know that you're out there on your own
Won't you come back?
Won't you come back?
Won't you come back
Back to me
