Tonight we're gonna freak
We've been waiting all week
We got fire in our feet, feet
(This beat is flowing like electric)
Feel the bass so deep
Pumping like a heart beat
Won't be gettin' no sleep, poppin'
(This beat is flowing like electric tric tric)

Come and make that movie on your cellphone, phone
Come and make that movie on your cellphone, phone
Come and make that movie on your cellphone, phone
Come and make that movie on your cellphone,
The camera's ours, tonight
We're gonna take it low, low
