

Make Up Your Mind, Be Smart

Be smart don't say, you're life is great,
'cause you're on the wrong side of the way, this way is wide where will it end
Without lord Jesus on your side.

What do you see, what will you do,
will you pass the test or won't get through.
There is a book it's called the Bible
With al the answers to get through.

All the time the same mistake again,
seduction when will it come to an end.
You search the right way, but everything seems wrong, we've got the solution, just listen to this son

Jesus is the way, the truth en the life
No one comes to the father except through Him.
This is the answer to the question in this song, when you accept it, you can come along.
